CAMP

STEM in Agriculture! Farm to Table with STEM!

Who: Putnam County Students in **Grades 3-5** during the 2018-2019 School Year

What: Science – Technology – Engineering – Mathematics Camp with Exciting Hands-On Problem Solving Activities. Kids will build and conduct experiments, learn about the Engineering Design Process, collaborate with others and have fun learning about Agriculture!

Where: Putnam County Educational Service Center
124 Putnam Parkway
Ottawa, Ohio 45875

When: Monday-Thursday, June 3-6, 2019
9:00 am – 12:00 Noon

Cost: \$50.00

Open registration begins at

6:00 p.m. on Wednesday, May 1, 2019

To register for **STEM Camp**, go to the link below or scan the QR Code and complete the registration form. Registration will be date and time stamped. The first 30 students registered will receive a packet in the mail. When forms and payment are returned to Katelyn Gerding at the Putnam County Educational Service Center, your student will be registered for camp.

The registration link will close on

Friday, May 10, 2019, at 4:00 pm

Registration link: <http://bit.ly/2D2NxWQ>

Registration fee for STEM Camp 2019 is \$50.00.

If you have any questions, please call Katelyn Gerding at the Putnam County ESC
419/523-5951 ext. 3007
